Forecast for Saturday 17 Aug 2024

Weather: Any early mist or shallow fog in the valleys soon clearing, then a sunny start to the day. Turning cloudier later this morning and thereafter a mixture of cloudy periods and spells of warm sunshine. Dry with clear periods this evening. Turning a bit breezier but winds staying quite light in most areas.

Chance of cloud-free hill tops above 600m: 100%, although temporarily 70% as valley fog lifts this morning.

Low cloud and visibility: Summits will be mostly cloud free, apart for when any initial valley fog lifts this early this morning. Visibility will often be very good with faraway hills and landmarks clear to see. Locally poor visibility in any early morning shallow fog and also in any cloud on summits.
